Egyptian Universities Libraries Consortium

→ Your Hub to Knowledge

The major goal of the consortia is to provide interactive information services to the Egyptian scholars and students. All the consortia services are electronically available through the EULC portal. Accessing information resources and services through one unified portal would help the Egyptian universities libraries to eliminate the overlap and duplication of resources and efforts, which would facilitate optimum methods for effectively and

### Search Books@Ovid

### JSTOR(NEW!)

JSTOR includes over one thousand leading academic journals across the humanities, social sciences, and sciences, as well as select monographs and other valuable materials for academic work. It also includes valuable primary source content complementary to the academic journals and monographs. The entire corpus is full-text searchable, offers search term highlighting, includes high-quality images, and is interlinked by millions of citations and references. The content is expanded continuously with a current emphasis on international publications as well as pamphlets, images, and manuscripts from libraries, societies, and museums.

### Springer Link E-Books

12,000 E books have been added to Springer collection, These new collection of E books have been Published in years 2005-2008.
