Walaa Hamada Mohamed Mansour

Surname: Walaa Hamada Mohamed Mostafa Mansour.
ID number: 29307101801885
Date of Birth: 10/7/1993
Gender: Female

Nationality: Egyptian.

Country: Egypt.

Telephone: 00201094897685

E-mail: walaa_hamada20@yahoo.com

Undergraduate education

Name of Institution:

Damnhour University, Faculty of science, Department of Physics.

City: Damanhour

Country: Egypt

Dates of attendance: 2011 to 2015

Type of program: Bachelor of Sciences in Physics.

Degrees attained: GPA 3.66 (89.80%), on 2015.

Graduation Project

My graduation project is a research under the title of "Supercapacitor technology", supervised by *Dr. Abdelhameed Sakr* (Doctor of Solid state Physics in Faculty of Science, Damanhour University) , and I got excellent grade about it.

Postgraduate education

Name of Institution:

Damanhour University, Faculty of science, Department of Physics.

City: Damanhour

Country: Egypt

Ongoing program: Master of Sciences in Physics (Nuclear Physics).

Start Date : 24/12/2017 (seminar)

M.Sc. Thesis

My thesis is a research in theoretical Nuclear Physics with title of " Supersymmetry and Nuclear Geometric Properties ".

Employment history

- I completed my B.Sc. in Physics (September 2011 to May 2015)
- From May 2015 I'm working as a Demonstrator in the Physics Department, Faculty of Science, Damanhour University.

Other experience of relevance

- ***Theoretical physics and mathematics Summer School during summer of 2015.***

This school was organized during the summer of 2015 in Faculty of Science, Damanhour university, which dealt with the following topics:

- Introduction in Lie groups and Lie algebra.
- A focus study in SU(4).
- Advanced Nuclear physics.
- Introduction in how Lie group could be used to describe Nuclear systems.
